# GAIA WAY

## A vision for wellness, rooted in place.

### OUR MISSION

To create restorative spaces in and around Los Angeles where wellness, connection and transformation unfold—restoring balance between mind, body and spirit, and deepening our relationship with self, community and the natural world.

## THREE SPACES. ONE SHARED PURPOSE.

### Gaia Way House

PRIVATE RETREAT FOR LEADERS & HEALERS

A sanctuary for leaders, healers and changemakers to rest, reconnect and deepen their purpose through intimate, guided experiences.

### Gaia Way Oasis

PUBLIC HOLISTIC HEALING & WELLNESS CENTER

A welcoming center offering a range of healing modalities, including meditation, breathwork, sound healing and Ayurveda, alongside classes, workshops, guest speakers and more.

### The Roots

ORGANIC DINING AT THE OASIS

An extension of The Roots flagship restaurant, bringing organic dining to the Oasis and nourishing families and employees across the community, including the West Coast Coalition team.

### OUR APPROACH

The vision brings together ancient healing practices, herbal and botanical medicine, energy work and personal development with modern medicine, neuroscience and technology.
