NEAL
HOUSE HOLDINGS

Growing stronger together.

The business infrastructure behind lasting community impact.

Neal House Holdings is a central business hub designed to bring accounting, HR, legal services, marketing, and property management under one roof—so mission-driven organizations can focus on their missions.

PROPOSED HOME
3347 Motor Ave • Palms, Los Angeles, CA 90034

One hub. Shared strength.

A professional home for shared services, job training, entrepreneurial support, and financial education—built to create stability, strengthen families and expand opportunity across a growing network of organizations.

$2.2M
Estimated acquisition cost

*Property availability and pricing subject to confirmation.

WHAT THE HUB MAKES POSSIBLE

Operations Support
Accounting, payroll, HR, legal services, and marketing support.

Workforce Development
Job skills, mentorship, and support for families in the community.

Financial Literacy
Financial literacy, wealth-building education, and practical money skills for families and communities across the ecosystem.

PROPOSED PATH TO IMPACT

01 **Establish the hub**
Secure a home and build the shared-services foundation.

02 **Connect the organizations**
Integrate teams, systems, and professional support.

03 **Grow enduring opportunity**
Expand training and build a self-sustaining enterprise.

The foundation for what comes next.

A vision for financial stability, stronger organizations, and resilient communities.
